

RAMSEY'S JANUARY SALE

The Big Sale Starts on Tuesday Morning With Unexampled Price-Cutting

Edmonton's Great Semi-Annual Sale begins Tuesday morning. Twice a year, before taking inventory, we have a great stock-reducing sale. The purpose of these sales is to clear out all goods for which the season is just closing and also to have the stocks as small as possible when taking inventory. Stock-taking time is almost here and the winter is pretty well advanced. As a result winter goods must be cleared and stocks reduced to the lowest possible figure. Our 29 windows are filled with sale goods—it will interest you to see them—and please note that the very last windows will show the most sensational bargains. We advise you to view the offers shown in all our windows all the way around to the lane.

TUESDAY, DECEMBER 30, 1913.

In days of old, when knights were bold, the youth whose vanity was disturbed by the master passion was wont to demonstrate the fact by striking a long-handled lance through the first fellow smaller than himself who could be taunted into fighting. Chivalry is not dead yet. At Los Angeles youth went out a few days ago and held up a train, incidentally shooting an official, for the purpose of getting money to lavish on a chambermaid about whom his affections had become inextricably entwined. But, alas, for this prosaic age, the police landed him in jail on a charge of murder, while the faultless damsels were held captive by him.

The conservation commission is issue a warning that the live-stock industry is endangered by the slaughter of so many calves. Putting it plainly, unless we stop eating veal now we may have neither veal nor beef after a while.

A Swiss aviator celebrated Christmas by flying across the Alps, while a Russian aeromont spent the day trying out a new balloon fitted with sleeping cabin for passengers. Common mortals, as usual, had to content with the elevating powers of the turkey.

The captain of a Spanish cruiser has been relieved of his command because he did not take his ship to Mexico at a continual speed of twelve knots. Unless the Spanish navy has been decidedly improved since the late "war" with the United States, he should have been made an admiral for getting there at all.

Lord Kitchener is said to be uncertain whether to stay in Egypt or go to India. There are a number of people in either country who hope he will choose the other. Kitchener is probably trying to decide in which country these people are most numerous—that being the country he will prefer. His service to the Empire and the world has consisted mainly in going where he was wanted.

Montreal Gazette.—"So-called 'specialties' are crowding the fundamentals in the schools in many places and some educators are showing signs of rebelling. At a meeting of the board of education in Terrebonne, Dr. Noble, a trustee, commented on the time given to special subjects, such as boy scouts, and said, 'I think it is well, after all, to give the schools an opportunity to stand on their feet.' The trustees responded that the schools are excellently managed, the standing of the pupils in the subjects of reading, writing and spelling is fair from satisfaction. For this the lower schools are blamed. Perhaps the educators have been paying too much attention to the faddists. They would do well to ponder the words of the trustee.

OTTAWA HEARS OF MEN MISSING IN PEACE RIVER

Search is to be Made For Sergeant Harper and Constable Stevenson

SEROT. ANDERSON WILL BE IN CHARGE

Porcupine Country in Which Men Are Lost in Little Traveled One

By Bulletin Leader Wire.
OTTAWA, Dec. 29.—According to a report received today by Commissioner Fortasse, of the H.N.W.M.P., two members of the force, Sergeant Harper and Constable Stevenson, as well as a number named Richard Harris, are believed to be lost in the Peace River district.

Although the commissioners say that the men will have it is rather gather probable that they have perished.

The three men constituted a party which left Edmonton, Lake in the morning of Dec. 25, and November 2 in search of a fugitive from justice, who was supposed to be in the Porcupine country. They had planned to make the trip in thirty days but have not yet been heard from.

The party reached the Moose Mountain Creek November 14, by a party of trappers. The trappers subsequently found a rifle at gun on the trail and reported it to the police trouble.

There is considerable speculation as to what could have happened to the men. Sergeant Harper and Constable Stevenson are both reliable men who have been with the force for some time, and the circumstances in which they had to travel is rough and there are but few trails but the ability to be encountered are only as a few months ago the police are accurate to a point.

The police will be in search of the party, and the men will be charged with the search for the patrol, it will be in charge of Sergeant Anderson. The man for whom the party were sent was

placed on a charge of abduction.

Harper in Medicine Hat.
By Bulletin Leader Wire.
MEDICINE HAT, Alta., Dec. 29.—The sergeant and constable are reported to have perished in the north woods for over a year stationed in Medicine Hat, as member of the Inspector-Sabotage Unit. It was a very responsible officer. Prior to coming here he was stationed at Lethbridge and MacLeod, Alta., and was in the north woods for a day or two on the border. He has been a member of the force for four years.

That he is the officer mentioned in the despatch is evidenced by the fact that he was in the north woods for some days ago from Saskatoon Lake, addressed to Sergeant Cankins, his successor, who is now stationed at Moose Creek. He is the only sergeant by the name of Harper upon the force.

Sergeant Anderson Leaves.
Porcupine Crossing, Dec. 29.—After three days in the north woods he is the parting words of Sergeant Anderson as he pulled out of the Crossing on the first lap of his long and hazardous search for his lost men and horses.

Sergeant Harper and Constable Stevenson, who with a guide, had packed up traps and traps for the Porcupine River and have not been heard from since.

Present circumstances point to another tragedy in the annals of Mounted Police history.

Two days ago arrived at Cranbrook, Prairie recently reported having seen the police patrol in the vicinity of Moose Lake, near the Porcupine, six miles south of Ashcroft. A boy, 15 years old, and Grand Prairie girl, 16, were

present. The girl was in good health, several days later the patrol found two of the men, Harper and Stevenson, with the patrol. As a result of their report Sergeant Anderson has been sent to the north woods.

What has become of the patrol? They expected to return in one month. Now it is three months and still no word. Although Sergeant Anderson has never travelled the Porcupine country, and though the severe winter weather apparently has not been to his one ambition now is to return with his comrades or mark their graves.

Little Travelled Country.
The Porcupine country is little travelled and a very poor road, mostly in the Rockies, and with no trail to go by the search party will have to rely on the knowledge that the men to their minds have had nearly fifty years of age, left with the confidence of youth. He is an exception to a point, and he can be relied upon to give a good account of his whereabouts. However, the distance of 1,000 miles, the course and distance of the trail, and the fact that he never accepts defeat till the final has vanished.

It is but a year ago this winter that Fitzgerald and his comrades perished on their trip to Dawson down North McPherson on the McKeen's trail.

PITTSBURG BANDIT ELUDES PURSUIT AND REACHES HILLS

Henry Rokowski, Murderer of
Constable Windt, Has Not
Been Captured

FOILS EFFORTS OF POSSE
OF 20 TO ARREST HIM

Two Other Victims of His
Dreadful Attack May Not
Survive

PITTSBURG, Pa., Dec. 29.—Dodging from tree to tree and as far as he can, Henry Rokowski, who has just shot and killed Constable Marvin Windt and probably fatally wounded two other persons at West Homestead, a suburb, held a posse of two hundred deputies at bay for hours at bay on the hills above Monongahela Valley during the early morning of this morning. The men who were returning, but Rokowski had escaped through the woods to a deserted cabin, where he lay in his doorway and, taking a position at a window, fired at every movement within his line of sight. The shot which broke the posse was reinforced by a party of county deputies, under John J. Hagan, and preparations were made to rush the house. A heavy fog hung over the valley, delaying the efforts of the police.

Mrs. Estelle Yeklik, who was shot twice when she refused to admit Rokowski into her home, after he had killed the constable, was taken to the hospital hovering near death with a bullet wound close to her heart. She died yesterday, and while the doctors momentarily expected the death of Ignatz Rokowski, who had gone to the hills to seek his son, the father of Rokowski, who had been beaten by his son yesterday, and for whom he had been searching, and for whom he had been held in the police station as a witness.

While the search lay in the woods, word was brought from Hays, a village nearby, that Rokowski had just passed through that town on his way to the mountains. Investigation proved that the man had stolen away in the fog. County detectives and deputies hastened to the scene.

(From Evening Edition.) Sergeant Harper and Constable Stephenson, who with a squad and mounted police were sent out from Peace River on October for the Porcupine river have not been heard from since, and many persons have started to fear the north now fear that some ill-fated party have suffered them. So concrete from this far taken, that Sergeant Andrew Stephenson, who was on the trail of the missing policemen, is still missing.

It was reported one week ago a story came down from the north of how these officers were seen to be in the hands of a bandit, who it is claimed, had abducted a fifteen year old Grande Prairie girl. This girl had been taken into the Rockies toward the B. C. border.

AROUND THE CITY

(From Evening Edition):
The Maple Leaf Rehearsal Lodge will
have its regular Tuesday nighty dinner
dance at the Auditorium in the separate
school hall, 5th street.

H. H. Robertson, barrister, who has
been confined to his home for two
weeks on account of his health, is able to
attend church and look after his practice.

The Ontario of Handley's "Me-
siah" will be rendered by the choir of
the Methodist Methodist church in the
church auditorium Tuesday evening.

Baughan is Isaacine. John Blair re-
ported to the police on Saturday that
his daughter, Christina, was Isaacine,
who was arrested yesterday and ar-
rested on a charge of having made to
her son to Ponoka this week.

Edmonton Choral Union members
are requested to note that rehearsals
will be suspended on Tuesday evenings
from 8 to 9 o'clock. The members will be
enrolled on this date for the second half of
the session.

Forgery Charges Withdrawn.—The
charges of forgery against H. L.
Moir, a well-known customer of
McKernan's, were withdrawn.

The accused, during his confinement
in the cells, became insane and he is
to be sent to Ponoka this week.

Gold Watch Found.—The
police have handed a seven-year-old
gold watch to a boy, Egon, which was
found at McKernan's Lake, and
which has evidently been lost by a
woman. The same will be returned
to the owner if he can be found.

The Daughters and Sons of Eng-
land Benevolent Society will hold a
New Year's Eve Entertainment and
dinner at the Canadian Grand
Hotel, 5th and 6th street.

Young People's Social.—A social
under the auspices of the First Pres-
byterian Church, 10th and 11th street,
will be held on Saturday evening at 8 o'clock
in the lecture hall of the church, and
invitations are extended to all young
young people.

The City Engineers' Association has
selected the site of paving Spanish
Avenue at year 112, 42nd. As this
work was done on the request of the
P. G. Barron company, the bill will be
reimbursed to the company. The
hobby will be reimbursed after the
regular decorations covering the work
are sold.

Brown, Anna—While out shopping
for new finery yesterday, previous
to Sunday, the 12-year-old
son of A. H. Healey, the 12-year-old
son of Rose, 112, 42nd and Franklin
street, fell and was fractured
in the right arm at the elbow. Dr. H.
L. Collins, attending the boy and the
injuring incident, told the boy's
patient will be put under the
X-ray today.

Must Pay the Wagons.—Pete Fallon,
a wagon keeper, addressed a
Memorial Message to the Minister
of Munitions. Fallon, who has
been a young girl of about fifteen
years of age 411 weeks, but as she
had left home, Fallon could not
see why he should pay her. Besides, he added, he had not
the money to pay her at the moment.
He will do so in full by tomorrow,
said the magistrate. "You don't
think there will be a warrant issued
within a day or two," Fallon said.

Junk Dealer in Court—He has
been a junk dealer for the cause of
considerable trouble to Sam
McKernan. He has had him in the
court no less than seven different
times. McKernan said he was tired of
seeing the man there, and he cancelled
an license. He applied for a
new one, and the man again
came to the court without a change
of running the business without a
license, and a fine of \$10 and costs
was imposed.

Anthony Street Bridge:

Street Superintendent has
noted the condition of the overhead
bridge at Anthony Street
and opened the C.P.R. has given per-
mission to the city to put in some
improvements. It is to be decided
to be used immediately. As soon as
the financing of the work has been
arranged, the men at the job, which should
not take more than a few days
to open the bridge, will be removed.

Reducing traffic congestion at
the southern approach to the high-
level bridge, as the street can-
not support the weight of a
temporary overhead bridge, while a
regular overhead bridge will go over the Anthony street

bridge.

FIELD DAY FOR TEMPERANCE:

Under the auspices of the Alberta
Temperance League, the first
field day has been held in various
parts of the province. These have
been very successful. In
Edmonton, the League and Le-
ttering, 11th and 12th, 10th and 11th
streets, will be held on Saturday.

BELOVED TO BE INSANE:

Statements made to the keeper of a
psychiatric hospital in the U.S. to the
effect that he had murdered a man
in North Dakota led to the arrest of
Dr. C. W. White early this morning. Dr.

tective Kroning. When he was
brought to the police station, however,
it was discovered that he was not
the Isaacine. Inquiry will be made
regarding the statements, but the pos-
sibility of his being insane is a possi-
bility, and the chances are that White
will be deported.
